

# THE BIG RACE

SPX RAFFLE '23

# WHAT IS THE RAFFLE?

The raffle is a school-wide fundraiser supporting the general operations at St. Pius X.

It is driven by the student-led Raffle Promotions Committee (RPC), which is supported by the Advancement Department.

# RAFFLE 101

- The Big Race Raffle kicks-off with a pep rally on Thursday, January 26, in the gym. It will begin at 9:30 a.m. The student raffle committee will be called to the gym at approximately 9 a.m.
- At the conclusion of the pep rally, students will report to their advisory family to collect their raffle packets.
- Each packet will contain 16 raffle books and 5 raffle collection envelopes.
- One raffle book contains 3 tickets and costs \$20. Single tickets may be sold for \$10 each, but not encouraged.
- All students are asked to sell \$320 (16 books) in raffle tickets to earn holidays and other incentives
- Faculty/Staff may sell or not sell. If fac/staff do not sell tickets, their incentives will be earned via progress of their advisory family.
- On **Collection Days**, students will meet with their advisory family to turn in their tickets (this will be about 15 minutes first thing in the morning).
- Students may sign-up for Phonathon nights and Parish Sales after Mass. Advancement is coordinating and will communicate.
- Students earn holidays if they hit their goals. Seniors will receive an additional holiday (on Friday, April 14 – prom) if they sell \$360 in tickets (which is two extra books).

# RAFFLE 101 - continued

- Raffle ticket sales are not transferrable from student to student.
  - For example: If “Johnny” sells more than his quota, he may not transfer his sells (give credit) to another student.
    - Why? It’s not fair to Johnny because he did the work; it may impact his incentive awards; and it’s not fair to other students.
- All tickets MUST be filled in. Blank tickets will be discarded.
- Once a collection envelope has been sealed, do not open!
- Extra tickets will be available from the Advancement office, second floor of the White Science building.
